

UFC 332 Striking Challenge - Official Contest Rules

NO PURCHASE NECESSARY. VOID WHERE PROHIBITED BY LAW.

1. Sponsor

The UFC 332 Striking Challenge (the “Contest”) is sponsored by NinjaTrader Group, LLC, 222 N. LaSalle St, Suite 400, Chicago, IL 60601 (“Sponsor”).

2. Contest Period

The Contest begins when the designated UFC 332 Striking Challenge activation opens on October 3, 2026 and ends when the activation closes that same day (the “Contest Period”).

Eligible scores must be recorded on October 3, 2026 during the Contest Period at the designated UFC 332 Striking Challenge activation.

3. Eligibility

The Contest is open only to legal residents of the United States who are **18 years of age or older (or the age of majority in their state of residence, if greater) at the time of participation.**

Employees, officers, directors, representatives, and agents of Sponsor, UFC, their respective parents, subsidiaries, affiliates, advertising and promotional agencies, prize suppliers, the activation vendor and equipment supplier, the venue owner and operator, and other entities involved in the development, administration, promotion, or fulfillment of the Contest, as well as members of their immediate families and households, are not eligible to participate or win.

The Contest is subject to all applicable federal, state, and local laws and regulations and is void where prohibited.

4. How to Participate

No purchase is necessary to participate or win.

To participate, an eligible individual must:

1. Complete the required participant waiver at the UFC 332 Striking Challenge activation;
2. Present valid government-issued photo identification to verify identity, age, and state of residence;
3. Participate in the Striking Challenge (where participants will tap lights on a wall) during the Contest Period; and
4. Complete a qualifying strike in accordance with the instructions provided at the activation.

Limit: three (3) qualifying attempts per eligible participant during the Contest Period.

Additional attempts, practice attempts, incomplete attempts, or attempts otherwise determined by Sponsor or its designated administrator not to comply with the Contest requirements will not be eligible for scoring.

5. Determining the Winner

This is a **skill-based Contest. The winner will not be selected at random.**

Each eligible participant's qualifying strike will be measured using the designated Striking Challenge equipment. The "score" is a numerical power value generated by the equipment based on how hard the participant hits the bag.

The eligible participant who records the highest verified score during the Contest Period will be the potential winner.

Scores displayed or recorded by the designated equipment are subject to verification by Sponsor or its designated administrator before a winner is confirmed.

Sponsor or its designated administrator may invalidate a score if it reasonably determines that:

- the attempt did not comply with the Contest rules or onsite instructions;
- the participant received an unauthorized additional attempt;
- the equipment malfunctioned or produced an erroneous result;
- the score was altered, manipulated, or incorrectly recorded; or
- the participant otherwise interfered with the operation or integrity of the Contest.

Sponsor's determination regarding the validity of a score will be final, subject to applicable law.

6. Tie-Breaking Procedure

If two or more eligible participants record the same highest verified score, Sponsor will contact the tied participants using the contact information provided on their participant waivers and invite them to return for a tie-breaker round.

The tied participants will complete a tie-breaker round in accordance with instructions provided by Sponsor or its designated administrator.

Limit: one (1) qualifying attempt per eligible participant during the tie breaker round.

Additional attempts, practice attempts, incomplete attempts, or attempts otherwise determined by Sponsor or its designated administrator not to comply with the Contest requirements will not be eligible for scoring.

The participant who records the highest verified score in the tie-breaker round will be the potential winner. If two or more participants remain tied after the tie-breaker round, additional tie-breaker rounds will be conducted using the same procedure until the tie is resolved.

Sponsor or its designated administrator may also record a reliable contact number onsite for any participant who reaches the top position on the leaderboard to facilitate contact in the event of a tie.

7. Score Verification

Sponsor or its designated administrator will maintain or review the official Contest leaderboard and associated participant records.

The leaderboard displayed at the activation may reflect preliminary scores and does not constitute confirmation that a participant has won.

Before declaring a winner, Sponsor will verify:

- the participant's identity;
- eligibility under these Official Contest Rules;
- completion of the required waiver;
- the participant's recorded score;
- compliance with the attempt and scoring requirements; and
- any other information reasonably necessary to confirm the integrity of the result.

A participant is not the official winner until Sponsor has completed verification and notified the participant that they have won.
